## **A New Year's Message from the International President**

**January 1, 2013**

**Dear Fellows,**

**As the 2013 President of the International College of Dentists, I wish all Fellows around the world a happy and healthy New Year.**

**While the way we celebrate the New Year may vary depending on our country, language and culture, one thing that does not vary is our commitment to the mission and objectives of the International College of Dentists which, I know with your help, will be advanced in the coming year.**

**I will be making many visitations during my year as President and I look forward to meeting many of you when I visit your Section.**

**The President's Corner provides a vehicle for me to share my thoughts and ideas with you throughout the year. I hope that you will visit our website often and see**

**what is going on in your International College of Dentists and read the President's Corner as well.**

**Happy New Year and my best wishes to all of you,**

**Leon Aronson, DDS, MS, FICD  
2013 President  
International College of Dentists**
