FOR IMMEDIATE RELEASE

International College of Dentists Inaugurates Diamond Sponsor Program

ROCKVILLE, Maryland, USA 13 July 2012

The International College of Dentists (ICD) is pleased to announce the launch of the Diamond Sponsor Program. Diamond Sponsors generously support the ICD in a unique and committed relationship. Diamond Sponsors are carefully selected, multinational entities (only ten will be chosen for this unique recognition) who are fundamental supporters of the goals, objectives and visions of the College. They are considered partners in the mission of reaching anywhere and everywhere in the world where oral health can be improved. The Diamond Sponsors will benefit from a close association with an organization populated exclusively with the recognized leaders in dentistry worldwide. The initial participants in the Diamond Sponsor Program are Sigma Delta Systems, Global Surgical, Orascoptic, Henry Schein and the International Congress of Oral Implantologists.

The International College of Dentists, established in 1928, is the world's oldest and largest international dental honorary society with over 12,000 dentists who have earned the title of *FICD (Fellow The International College of Dentists)* in 122 countries throughout the world. Fellowship in the College is by invitation only and is granted in recognition of an individual dentist's "outstanding professional achievement, meritorious service and dedication to the continued progress of dentistry for the benefit of humankind." Additional information

on ICD governance and global humanitarian and other service projects may be viewed at www.icd.org or by contacting the Media Center at media@icd.org.
